Dear Dan:

I thought that you might be interested in the enclosed copy of Senator Kennedy's defense speech. Mr. Enthoven was a great help. He sent a very long and detailed tape recording. This speech did not get the publicity which it should have because of the Civil Rights debate. I would be interested to know whether or not you think that it is a good speech. I will send you his arms control one when it is printed.

I hope that you had a good trip. I wouldn't mind having a job which provided such wonderful junkets!

With best wishes to you both,

Sincerely,

Deirdre Henderson
